best book you have not read

By bestbookihavenotread

*A Quick Guide to Making Your Teaching Stick, K-5* is a fantastic resource from Teachers College Workshop Help Desk. I thought it was so fantastic that I bought it for the 20 teachers I am working with for a week of professional development on Writers Workshop and am seriously thinking about buying it for the other K-6 teachers in our district.

A great complement to the Units of Study that I wish had been published years ago.
