This is a good quick reference for anatomy terminology

By Laura Anne Queen

This is a good quick reference for anatomy terminology. I have referred to it several times and found it to be very useful. .

3 of 3 people found the following review helpful.

Great Insert

By Living In SoCal

Purchased this as a quick refresher/review for an upcoming class. It's nicely laminated, concise, and easy to read. This will be a great alternative to having to flip through the book when I want to nudge my memory on a term.

This was a nice price.

Highly useful

By Marty Byerley

Extremely useful tool to have on-hand for new students. Much more portable than a text, easy and quick for referencing, and extremely helpful for studying.
