## Review

Saint Augustine's Latin presents notable difficulties for translators. And even good English translations have usually dated badly. Frank Sheed's, which I read a mere fifty years ago, still shows no signs of dating. It captures Augustine's extraordinary combination of precise statement and poetic evocation as does no other. -Alasdair MacIntyre

Augustine's sublime Confessions fairly ring with the music of a baroque eloquence, lavish and stately. F. J. Sheed's ear for that music makes this translation a memorable opportunity to hear Augustine's voice resonating down the years." --James O'Donnell

## About the Author

F. J. Sheed was co-founder of the publishing house of Sheed & Ward.

Augustine Confessions

By Claire M. DeLouise

I had started reading a copy of the Confessions before hurricane Katrina. I lost the book, along with everything else I owned. I found that book a difficult read, but was determined to finish it. I don't remember who translated my original book, but I decided to try again and ordered a copy from Amazon. The translation by F.J. Sheed made a startling difference. The text has a beautiful poetic flow to it. I am thoroughly enjoying it and have told friends to order a copy.

Beautiful translation of a classic text

By Benjamin T. Mayes

Sheed's translation of this classic of Western and Christian culture is truly beautiful. He went beyond presenting an accurate translation; beyond a clear translation. He gave us a translation that is accurate, clear, and sonorous. The footnotes, introductions (one by famous Augustine scholar Peter Brown), and index make this a solid scholarly edition. This is a translation I will reread often.
