Stimulating visuals

By Selphyne

Well-written. Vivid imagery.

Felt like much of the story was left hanging. I crave more and am unsatisfied in this as it is a prequel to Hemlock Grove.

McGreevy does have captivating diction in his works that tend to be lacking from many other writer's works.

Beautiful prose, prequel leaves me wanting more

By Denise Ruby

I love Desire. Beautifully written, and just when I thought she was hopeless, she rises like a Phoenix from the ashes. I know who Desire is. I'm a big fan of Hemlock Grove and I want more of what came before! Would love additional prequel novels.

Amazing as usual!

By Rebecca Marsch

This is a must read! I love Destiny and her backstory is perfection. If you haven't read Hemlock Grove then you simply can't understand ! Brian McGreevy does it again!
