FAR/FC Just as I Wanted

By Robert Chapin

The FAR/FC book arrived as expected. This is a great book to keep updated for FAR 121 and 135 operations. Keep in mind this is not a FAR/AIM, and the comments from people ordering the wrong product here are not reliable.

By Tim

Content-wise, it's exactly what'd you'd expect... it's a book of regs.

I did manage to break the spine and lose a few pages from the binding while studying, though. Admittedly, I wasn't being particularly gentle. Still, this is a book that's going to be opened repeatedly to the same pages, and folded flat on the table so it doesn't close on itself. This might benefit from being spiral-bound, instead.
