Good English Textbook

By A. Nanney

This is a nice English text for third grade students or a refresher for some fourth grade students. Information is laid out well and the practice sections are good.

Arrive on time and in great condition!

By Last minute shopper

I was a little apprehensive when i first placed the order. I only had a week left before my daughter's school arrived and was pleasantly surprised. My item arrived before her school started and in great condition as described.

Good for review of lang. Arts in homeschooling

By a.Reese

This is a really in depth book. It helps guide your child through language arts. It had several practice boxes to use throughout the lesson. It is pretty bulky though.
