Viviendo en la Presencia Divina

By Cherina

Solo contiene algunas historias. Lo importante es que nos muestran que solo a traves del amor incondicional, la rectitud, el amor a Dios sobre todas las cosas, podremos elevar nuestra consciencia para ser mejores personas, a la vez que estamos bajo la proteccion de la Shechinah, o Presencia Divina, sin que ello signifique que las cosas resulten como nosotros queremos. Los relatos pueden parecer fantasias para las personas que no estan acostumbradas a vivir en este estilo de vida, en general o dentro del Judaismo, Historias similares se encuentran en Los Vedas/Hinduismo/Budhismo, et cetera. Lo recomiendo, pero es un libro que debe ser leído con calma y varias veces para entender su sabiduria. Tambien es importante meditar en forma regular, para aquietar nuestra mente y vivir la Presencia Divina.

Very Interesting.

By Beatriz G. Perdomo

I am really new in the Judaism literature world.

This book is about the mystic branch of Judaism, the Kabbala.

Is not a deep book, but it gives you a general idea about the Zohar, the writtings and the cores beleifs that the Kabbalist follow.

Yes, i will recommed it.
