NEW YORK TIMES & USA TODAY Bestselling Author Tina Folsom presents: Luther's Return (Scanguards Vampires #10)

After twenty years incarcerated in a vampire prison, Luther is finally free. But before he can close this chapter of his life once and for all, a kidnapping thrusts him back into the world of Scanguards and into a confrontation with the vampires whose mates he very nearly killed two decades earlier.

Actress Kimberly "Katie" Fairfax has turned her back on Hollywood and now teaches drama at a college in San Francisco. When Scanguards owner Samson's daughter disappears during a performance, Katie blames herself for inadvertently putting Isabelle in the path of danger. Realizing that Luther may be the only one who can rescue Samson's daughter, she forges a tenuous alliance with the inscrutable stranger. As passion ignites between them, they not only have to fight against the unknown foe, but also against the darkness within themselves that could destroy them before they can rescue Isabelle.

Best one yet

By Tina Brimlow

I have to give it to Tina. Every time I read her newest release I say to myself "this one is the best or even the hottest one yet." But hot damn Tina, I don't think this could have gotten any hotter. I loved Luther's Return. I thought this was the perfect story for Luther.

Katie omg I just love her. She grew up being wronged. She was a Hollywood star with no family. Found her family in Yvette's Haven. Found herself working as drama teacher. Something goes haywire and she finds herself with Scanguards enemy. Will she be able to work with him? Or will everything go wrong? Read Luther's Return today and find out.

Luther I have to admit I didn't think any Scanguard could beat Amuary's Hellion. But after reading this, yeah I was so wrong. Luther is the type of man a girl dreams about. After being free he falls into a situation where his help his needed by Katie. He has always brought his mind back to his past. Will his past push him away from Katy or will his push his way past it and love again?

I so recommend you check out Luther's Return. It has the action, the love, and the oh snap I did not see that coming. Tina Folsom is just amazing.

I've fallen in love with a villain!

By Terisa

Luther has been held in vampire prison for twenty years. He has done his time for trying to kill Sampson and Amaury's mates and while at the time he thought that his actions were justified, he regrets that he didn't trust his friends. The first thing he does once he's released is head to San Francisco to apologize so that he will be able to get on with his life. He knows that he failed his mate when it mattered most and that it was no one's fault but his own that she died and he needs for them to know that. Things don't always go as planned though. Luther arrives the same night that Sampson's daughter disappears and the Scanguards are positive that Luther has played a part in her disappearance. Will hatred and fear make them realize that he's telling the truth or will fear of what happened in the past blind them to what's happening now?

Katie Fairfax has had lifetime of problems. She's tried to put them all behind her when she left Hollywood and she now teaches drama at a college in San Francisco. When a last minute change in the lineup for the play that she's both directing and playing a part in leads to one of her pupils disappearing, she knows that it's her fault and she'll do anything to help find her, even if that means teaming up with the enemy.

This story takes place twenty years after Amaury's Hellion and boy have a lot things changed within the Scanguards families. If you've read the other stories, you know who has married whom but here you find out just how large those families have become. Isabella is of course the oldest hybrid child and is now twenty but almost all of our favorite characters now have children as well and most have more than one. While it was a little difficult to remember who belongs to who since there are so many children now, the family tree at the front of the book helps with sorting it all out. I'm in hopes that these children, many on the verge of adulthood, will be in future books and that we can continue to watch them grow and see where their lives will lead.

Now back to Luther and Katie's story. I have fallen in love with a villain. From his very first meeting with Katie, you will remember her from book 4 as she is Haven and Wesley's little sister, Luther feels drawn to her just as much as Katie feels drawn to him. Luther can't say seem to say no to her and finds himself right back where he started from, back in the vampire prison. This book was amazing and has long been one of my favorite series. Tina is an amazing writer that does a great job in linking each book to the others so that you can honestly pick up reading anywhere in the series and be fine but trust me when I say that if you haven't read this series, it's best to just start at the beginning because you are in for one hell of a ride!

Sweet Mercy Atonement

By Pumpkinbaby1974

Everyone deserves redemption. When we first had a glimpse of Luther in the past I knew he had his reasons. I'm glad he wasn't killed also glad he wanted to have atonement for what he did.

It was strange however going into 20 years after the last book release but so easy to understand. I think I would love to see a book/books on each of our Scansguards characters make them little novellas to see what they went through. Maya figured out how to give Yvette her dream of having children. I'm fascinated with Grayson because despite who's your favorite it's always been Samson for me. Now its a tie with Luther. So if Grayson gets a book to and if he is like his father well damn chit will hit the fan lol.

Tina's writing is amazing in this series I cried and felt for Luther and understood why he did what he caused I don't condone it but it still makes you see why. And let's face it we are in a world with Vampires and the male or female are protective of their mates. Other books I've read in paranormal vamps aren't suppose to

have a conscious and I love that we get that with Tina's series. I was thinking with Katie/Kimberly she would be a lot older because she no longer held her witch powers but Tina had explained how she still aged slowly despite not having them, she's still a witch.

Folsom just can't go wrong with this series. There's four authors I follow constantly just waiting for the next one to come out and hoping they won't end. And apparently we will get more with Blake's Pursuit. No disappointments in this book for me. Wish I could give it more than 5 stars it's worth so much more.
