Rolled Covers

By Amazon Customer

Although it was a rental, the condition of the book was horrible. Well, maybe not TERRIBLE, but the covers are completely rolled out. I've been laying heavier books on top of it in hopes it'll flatten out, but it isn't working so far. This is annoying for me because if I carry it to class, I keep ripping small tears into the cover. So, if I tear it too much and have to return it... I don't want to get docked for it.
