"It's the hottest thing in the media, it's tomorrow's broadcasting today, and it's easy, fun, and free. Podcasting revolutionises radio by allowing you to listen to what you want, when you want, where you want. With software set up on your MP3 player, iPod, PC, or phone you can automatically download the latest programmes, then enjoy them at the time and place that suits you - even it that happens to be underground, or in the pool. Better yet, the fact that creating podcasts is open to pretty much anyone with a computer and a microphone means the range of programmes on offer are limitless." Steve Shipside.
