No escape, no quarter given to yourself.

By DallasJim

As a zen practitioner, rather than a devote Christian, (no they are not mutually exclusive but rather a leaning in a direction) I was moved and changed by this book. Yes it is difficult language, and Kierkegaard has the discipline or a logician. So I read it slowly. It helped me understand more fully the Three Pure Precepts of Mahayana practice; Embrace the Good, Avoid All Evil, and Purify the Mind. Kierkegaard calls up two Guides, one leading us towards Good and the other away from Evil. Purify the Heart or the Mind? Not an important distinction if you look at both in depth.

He talks of the miracle of the Ultimate in powerful language "Now the unspeakable is like the murmuring of a brook. If you go buried in your own thoughts, if you are busy, then you do not notice it at all in passing. You are not aware that this murmuring exists. But if you stand still, then you discover it. And if you have discovered it, then you must stand still. And when you stand still, then it persuades you. And when it has

persuaded you, then you must stoop and listen attentively to it. And when you have stooped to listen to it, then it captures you. And when it has captured you, then you cannot break away from it, then you are overpowered. Infatuated, you sink down at its side. At each moment it is as if in the next moment it must offer an explanation. But the brook goes on murmuring, and the wanderer at its side grows older. "

Buckaroo Banzai

By BuckerooBanzai

Almost anything written by Soren Kierkegaard is worth reading. On the other hand, what with the pseudonyms and books "discovered" in abandoned desk drawers, and the like, it is often a challenge to figure out where Kierkegaard is speaking, or where Kierkegaard is using a character ironically. Bear in mind that this was a profoundly, if eccentricity religious philosopher. That should serve as a starting point in your search, anyway.

I'm such a fan of Kierkegaard

By Christina C.

This book inspires me--and he wrote it so long ago. What a trailblazer Kierkegaard was! I highly recommend this one.
