Most helpful customer reviews

8 of 8 people found the following review helpful.
Total rubbish
By Jakub Jarosz
It's total rubbish not worth single penny! A dozen of pages with few questions that can be googled in seconds. The actual questions fill 60% of the kindle book leaving 40% of space for mambo-jumbo questions about attitude towards working over time etc. I did big mistake clicking the buy button... In short: stay away from this book unless you have too much money!
