Just when things are going good, the rug gets pulled from under Jenna and Tom. Can true love make it. What will they do? You want drama, secrets, love, sex & laughs? This book has it all. Right now my heart truly breaks for them. 4 people who have come together to be good for each other will now have to decide what and who is more important.

Wonderful Book, Wonderful Series

By Susan D

Wonderful book! Wonderful Series! Jenna is falling in love with her billionaire boss, Tom. Everything has to be kept secret though, because if anyone finds out at work that they are in a relationship, Jenna will lose her job. Things are also heating up between Michael and Rose. Actually, as this book ends, there might be more to be lost than Jenna's job. This book does end with a large cliffhanger. I received this book for free in return for an honest review, and I love this series. You do need to read the whole series, and read them in order. With that in mind, I recommend for you to get Book 1, then books 2 and 3.
