"You know how to interpret the appearance of the earth and the sky. How is it that you don't know how to interpret this present time?" (Luke 12:56). The enemy has overrun our society, largely unopposed. Yet even now God is awakening His people and calling us to battle. He is giving us a new understanding of the times in which we live and is bringing a new anointing upon His Church, equipping us with spiritual discernment, wisdom and the tools of spiritual warfare. Ana Méndez, a former voodoo priestess who was liberated from the enemy's camp to become a mighty prayer warrior and a prophetic voice to the Church, lays bare the plans of the enemy and shows how God is raising up a victorious army to wield the power of the Holy Spirit and subdue the enemies of Jesus Christ under His footstool for His glory.

Couldn't put this down

By Paul A.

My upbringing contained many things in common with Ana's and I was, therefore, anxious to read of her past and what the Lord is doing today in and through her life. I was totally amazed at her treatment of Scripture and how it applied to all she does in seeking and serving the Lord. This is a MUST for anyone who believes that we are in a spiritual war and that Satan is indeed moving to and fro seeking whom he may devour.
