STEPBROTHER DEAREST BY PENELOPE WARD PDF

NEW YORK TIMES BESTSELLER: You're not supposed to want the one who torments you. When my stepbrother, Elec, came to live with us my senior year, I wasn't prepared for how much of a jerk he'd be. I hated that he took it out on me because he didn't want to be here. I hated that he brought girls from our high school back to his room. But what I hated the most was the unwanted way my body reacted to him. At first, I thought all he had going for him were his rock-hard tattooed abs and chiseled face. But things started changing between us, and it all came to a head one night. Then, just as quickly as he'd come into my life, he was gone back to California. It had been years since I'd seen Elec. When tragedy struck our family, I'd have to face him again. And holy hell, the teenager who made me crazy was now a man that drove me insane. I had a feeling my heart was about to get broken again. *Stepbrother Dearest* is a standalone novel.

Stepbrother Dearest

By Angie

Why did I wait so long to read this one?! *Stepbrother Dearest* was just as good as I hoped it would be! Greta and Elec's parents have been married for a couple of years, but they don't meet until Elec's mother goes out

of the country and he's sent to live with his father. Greta is excited to meet him, but then she does. Elec might be the hottest guy she's ever seen, but he's also a jerk! She tries not to take it personally since there's obviously some issues between Elec and his father which he seems to be taking out on her. However, that attraction isn't just one sided, even if it is forbidden.

Stepbrother Dearest was so good! I almost completely loved it! Almost because the format was a bit weird. The first third is Elec and Greta as seniors. This is when they meet, and when things first heat up for them. Then part two is seven years later! I didn't mind that too much, since that is a recipe for tension! So much can happen in seven years, and it does. Greta and Elec's reunion is super tense! Holy crap! But then there's this portion where we're reading Elec's autobiographical manuscript, which basically retells everything that happened up until that point from his perspective. I get why it was done that way rather than a traditional alternating POV, but I didn't like reading the same thing twice. I wanted them to get back to the kissing and the sexing!

Stepbrother Dearest is a very short and quick read. I read it one sitting because I just could not get enough of Greta and Elec! Their chemistry is off the charts! I couldn't stop smiling at all of their interactions, even the heart breaking ones, because I knew they'd end up together somehow. This was a very sexy and emotional Romance, with a hint of the taboo.

Explosive!

By Diane Blaser

Stepbrother Dearest was a well written, transformative story that kept me enthralled throughout the entire book. The storyline was both fascinating and frightening because of the volatility of the emotional relationship between Greta and Elec, the two main characters in this unusual romance. I really didn't like Elec for most of the book because he's a sullen, pissed off bad boy with a foul disposition, and he takes great pride in his hatred of his father, his stepmother and her daughter Greta. The malicious interactions between father and son are explosive and painful to witness for the characters and the reader alike. While Elec bullies Greta and makes her life miserable, she eventually breaks through his emotional walls and their complicated relationship is a compelling story of rebirth and the healing power of love.

Elec Dearest!

By AsianChef

I'm not a big fan of any Stepbrother-Stepsister kind of story, so I skipped reading this book even though it was like a burning thing on my kindle since it was written by one of my favorite authors. When Neighbor Dearest came out, I kinda have the urge to read this book because I was curious as to how Elec and Chelsea's relationship went down to the drain and I'm a Team Damien all the way! So...with that being said, I read Stepbrother Dearest.

I couldn't hate Elec for what had happened between him and Chelsea even though I wanted too, I just couldn't. Because on this book...I fell in love with Greta's character! Elec's demons were too deep and painful. His life was screwed up since the day he was born... until Greta. Greta is that one person who made all things better for him. She was that one person who stood up for him through rough times. No matter how Elec made her life miserable, she take it all in like a champ! It's kinda hard not to fall in love with Greta! Elec's plan of ruining her life boomerang on him and he fell in love with her.

The story was well written, it's was an emotional overload! My chest hurts for Elec's past and my heart ached for the love that they had for each other. It was a right-kind-of-love-in-a-wrong-time kind of thing and it hurts so much! Then faith intervene with their lives again. Faith has brought them back together in a not so nice kind of circumstances. Thankfully, their story didn't involve cheating! I love how Elec fight all the urge, lust and love he have for Greta. He remained faithful to Chelsea 'till the very end. I love how Elec genuinely

love Chelsea that he couldn't afford to do the wrong thing despite the very obvious. The old feelings Elec and Greta have for each other has a very deep, strong foundation that is why there was a need for him to make things right. Elec is a man with balls! I admired how Greta has a very strong personality. Okay, so I did enjoyed this book till the very last page. Read it in one day...it's thet kind of hard-to-put-down kind of book 'coz I was sucked in from the very first few chapters. Loved it! Giving this book five stars!
