By far--the best in Tarot!

By Maro Daro

By far, this is the best! Over the past 20 years, I have read and used many different Tarot books and of them all--this one is, without a doubt--the best!

It is beautifully written at the soul level, and provides monumental sources of inspiration, motivation, and understanding to carry you through the trials, tribulations, and growth experiences of everyday life!

It has never failed to be right on target for me and has helped me to think on the positive and spiritual side even at the seemingly darkest of times!

If you love Tarot--this book is a must! It is a magnificent and wonderful piece of work and I recommend it highly!

A Beautiful Book and Deck - an easy dive into the Qabala!

By A Customer

The art for these cards is phenomenally beautiful and presents a very Lighted version of the Tarot. The book allows clear, easy readings, but also provides a basis for understanding our deep spiritual levels of existence, based on the Qabalistic model of the Tree of Life. A great choice!

Tarot of the Spirit is simply the **BEST BOOK AVAILABLE.**

By A Customer

I highly recommend this book and deck. It is deep, detailed, passionate, advanced. It is the best Tarot book and deck ever published. Even the publisher, US Games, which publishes hundreds of tarot decks, calls it the most masterful deck. You will not be disappointed. Let it take you on your spiritual journey.
