THE CANTERBURY TALES BY GEOFFREY CHAUCER, LARRY BENSON PDF

Based on the definitive Riverside Chaucer, this edition of The Canterbury Tales contains the complete text of all 24 Tales, thoroughly updated scholarship from the past 20 years, and extensive editorial support. This volume is ideal for instructors who want to assign only the Tales and have no need for the complete Chaucer. An overview briefly outlines the basic plot and main idea of each Tale, while a section on language and versification helps students with pronunciation. Explanatory notes provide information on sources, problematic passages, and critical interpretations. Additional pedagogy includes a glossary, a section on Chaucer's life, an index, a general bibliography, and a list of abbreviations.

Authoritative edition, but overpriced

By Wanda B. Red

Based on the Riverside Chaucer, this edition is the critical text of Chaucer's *Canterbury Tales.* It is accompanied by glosses of the Middle English at the bottom of the page, a useful glossary, and explanatory notes that guide the reader to further criticism. All of the above make it a good trustworthy teaching text as well as a resource for the serious amateur reader who wants to get to know Chaucer's most famous poem in its own language.

The price of the book, however, is a scandal. I teach Chaucer, and I'm embarrassed to assign a flimsy paperback like this to my students, expecting them to pay \$55 for it. If perchance someone from Houghton Mifflin ever happens to read this review, please revisit the question of how you price textbooks like this one. Next time around I'm planning to use the Norton Critical edition; it may not have all twenty-four tales (it has fifteen), but the glosses are better, and it also includes a rich offering of primary contexts (Boccaccio, Petrarch, the Romance of the Rose, etc.) and criticism. And it costs less than \$15.
