The Russian...and the baker....

By Virginia

This is the third book, in the Hart Sisters Trilogy...This is Jasmines story.

This may be a spoiler alert...

Jasmine is the baker in the family catering business....and the only triplet not married.....however, engaged to Greg, until he dumps her the day before the wedding..but she really wasn't upset..just mad.

so to make a long story short, Jasmine ate the wedding cake and the family helped eat some of the food that was prepared for the wedding.....and then Jasmine packs for the honeymoon for One. She goes to relax and tries to be independent..

We are introduced to Antoniv a Russian business man who wants nothing but perfection from his employees

and extravagant resorts. now understand he pays his employees very nicely..... they are well compensated, per Antoniv.....

Antoniv is on a tirade when Jasmine comes in from the beach....she automatically jumps to the employees side...she has nothing but good things to say to this man, about the resort...she doesn't realize he is the owner...so she just lets this tall, handsome, intimidating man..have it.

So now we begin...Antoniv is bewitched by the fiery, beautiful woman.....she will be his and the pursuit begins....

all Jasmine wants is to be left alone, to be independent, it is hard when u r surrounded by her other two siblings.....and they are happily married and babies everywhere....

But it doesn't work out that way....Antoniv and Jasmine find true love and have a magical week.....even though he dominates her the whole vacation.....

but u have to realize this is fiction and a good book to just read and be.....

Elizabeth Lennox is a good author and I enjoy her books.....

I give 3 stars...mainly because you pretty much know outcome.....big ole billionaire puts his sites on a beautiful women....I will still read these books, wish they are on the lender library.....in stead of buying.....there are so many books to read from her.

a fun escape

By Maria Alvarez

I found the grammar and punctuation, along with sentence and paragraph structure to be exemplary.

The escapist plot of Jasmine leads into the arms of her Russian lover, Antoniv. The novel is tasteful and does not reflect crudity. The love scenes are restrained, romantic and very suggestive.

I rate this a strong 4 and would purchase it again.

Will Jasmine find her HEA or will she play it safe and protect her heart.

The Forbidden Russian Lover (The Hart Sisters Trilogy Book 3)

The final book in this trilogy was worth the wait! As usual, the story has great hot, sexy, sizzling scenes that you do not want to miss!!! I enjoy Ms. Lennox's books because she knows how to write Strong Alpha Males where others fail. While the other authors "say" their characters are Alpha Male, it is not demonstrated in their books. Perhaps Ms. Lennox has the ability to write strong Alpha Males with confident women that tame them.

Jasmine Hart is the final triplet in the series to get her HEA. The novel starts out with Jasmine and Greg getting married and the rehearsal dinner is tonight. However, Greg is calling her from the airport and says that he cannot go through with the wedding, so in essence she is getting jilted. She stated what did she expected because Greg had proposed marriage to her via text.

Jasmine is resilient and decides to go on the honeymoon anyway, by herself, and she will not allow Janine or Jayden to go with her. She is staying at a wonderful resort in the Dominican Republic and it so happens that the Billionaire owner, Antoniv Petrov, is there inspecting his resort. Jasmine does not know who is and

dresses him down when he speaks harshly to some of his employees. Antoniv is intrigued that anyone would talk to him that way and he begins to pursue her.

Her sisters had both fallen for wealthy, powerful men and Jasmine was determined to be different. Besides, Antoniv only wanted a sexual relationship and the Hart sisters seemed to have inherited a crazy fertility somehow – both had gotten pregnant despite precautions. Because of this risk, she was still a virgin and she wanted to keep it that way. Antoniv is everything she does not want in a man. She had to find her own way!

Jasmine in no way was she was going to risk getting involved with the amazingly handsome Russian billionaire. There were too many reasons to stay away from him. But only one reason she couldn't – she wanted him!

When it was time for her to go home, she had fallen in love with him, despite herself. She did not want to say goodbye because it hurt so much, but, he said that he was not relationship material and only wanted a sexual relationship. Jasmine gets up early the morning of her flight and slips out of Antoniv's bed and goes home. She had to get out of there, go home and work on mending her broken heart.

You must read this to find out if Antoniv will go after Jasmine or will he go back to the life he had before he met her. And, did their sexual encounter have a surprise for her as did her sisters encounters did for them.
