THE HIGHLANDER'S LITTLE LASS (LITTLE HISTORY SERIES BOOK 2) BY AVA SINCLAIR PDF

As the daughter of a powerful highland laird, Glynis McLeod should have made a fine wife for any Scotsman. Having been deprived of discipline by her mother's untimely passing, however, Glynis grew up wild and unchecked. As a lass of twenty, she has precious little respect for any man, let alone a husband her father might choose for her.

But even a doting father must obey his king, and when the king demands a marriage to ensure lasting peace between rival clans, Glynis finds herself the very reluctant bride of Bran McKinnon. Known as Bran the Bull—both for his size and his fearsome sexual appetites—he is a man accustomed to being obeyed, a fact which is quickly impressed upon Glynis when her lack of decorum earns her a bare-bottom spanking from her future husband in the great hall of her father's castle.

As soon as Bran lays eyes on Glynis, he knows the fiery redhead is exactly what he's been seeking: a woman who needs both the firm hand of a father figure and the dominant lovemaking of a husband. With the help of her childhood nanny, Bran sets about training his feisty highland lass to be the obedient wife he expects. Blushing cheeks and a sore bottom quickly help Glynis become the good little girl her husband desires, but when danger threatens the king's peace, will Bran recognize in time that there's more to his young bride than meets the eye?

This is the first Highlander Romance I have read ever. I typically don't go for historical romance but the cover drew me in and I knew I had to read this. I recently discovered Ava Sinclair and fell in love.

Glynis McLeod has been offered up for marriage as a part of a peace treaty between rivaling clans. Her sassy attitude makes her a spitfire from the beginning but Bryan McKinnon is up for the challenge. Leading an unsatisfying life of bedding women, he longs for the woman that will sate his desires.

Glynis is challenging from the beginning of their relationship but molds into a beautiful little wife. Bryan has found himself in his wife. Together they mold into the perfect blend of age play, spanking, and of course

romance.

When I started this I wasn't sure how Sinclair was going to incorporate age play into the time period. I loved that Glynis was learning along the way and didn't know everything about a man and sex. Sinclair thoroughly did her research and scored a home run with *The Highlander's Little Lass*.

If you enjoy a dominant man in a kilt and a fiesty Scottish Lass don't miss *The Highlander's Little Lass*. This was a delightful historical age play full of discipline, scorching sex scenes and a little dangerous intrigue. An engaging read from the first page to the last! Morganna Williams

So fun!

By KJ

From start to finish, this was so much fun. Glynis is a little firecracker who is perfect for the big Bran. They have amazing chemistry which made everything very hot. I enjoyed this much more than I thought I would. I will definitely be reading more from this author.
