BOOK FOUR: The Stolen Bride Series Their greatest opponent won't be battled with a sword... But with their hearts... Ronan Sutherland is a fierce warrior. Swearing off all else, he thrives on his powerful position within William Wallace's army. Freedom for the Scots is his mission—until he meets fair Julianna. She captivates him, intoxicates him...makes him want more out of life than what harsh dangers he's accustomed to. Lady Julianna is no meek maiden. She's trained in the art of war, sister to one of Scotland's most powerful men, and tasked with keeping the future king safe. Until she's kidnapped by a rivaling clan. Now her only hope is for the one man she trusts—and desires—to save her. Together, they'll have to face down one of Scotland's most treacherous foes... And keep from falling victim to the one thing they've both eluded thus far—love.

Great story

By Kindle Customer

Of all the books in this series, Warrior Bride is my most favorite. I like strong protagonists especially when the heroine is so out of keeping for what is the norm for women of that time period; the hero loves, supports and admires her for it. This story line is especially interesting because of her actions and his love for who she is. Don't miss reading this one. I gave it 5 stars because I couldn't put it down.

Another great Highland Romance read!

By ZaharaBeauty

This was a wonderful story, even though it didn't follow history to the letter! I had a hard time putting it down, and enjoyed it very much. Eliza Knight is one of my very favorite authors of Highland romance stories. I highly recommend this book to anyone who enjoys reading Scottish historical romance books with a good amount of sensual play between the main characters.

SO DISAPPOINTED!

By Selective Reader

I have read and totally enjoyed the first three books of this series "The Stolen Bride", however from the very first page I had the feeling that I was reading another author's writing. This book is silly, unbelievable and did not stand up to the first three books at all. I do not know what happened to this author's writing but I was truly looking forward to this book and it totally failed. I returned it after the first chapter and was very disappointed. I hope Ms. Knight gets it back together and can write something that will go along with the first three books because this did not. I know that it is very difficult to write a truly good book, to say the least, however this book sounded like a 12 year old wrote it. I wish she would write another "The Stolen Bride" because I do enjoy her books and would like to have added this to her collection on my Kindle.
