Everyone longs to be successful but very few have a clue of what true success really means. Pastor John Hagee explores seven areas of life that help readers recognize and define genuine greatness in their lives. Listeners will learn how to press in closer to their potential, overcome their frustration in current situations, and achieve great things by using godly principles to resolve difficult issues.

Here are a few topics that Pastor Hagee discusses in this motivational message:

Practical Wisdom To Be Applied

By Dr. W. G. Covington, Jr.

Pastor Hagee presents a total of 7 principles with 7 subcategories under each for a total of 49 ideas to be applied in a daily context leading symbolically to a "year of jubilee." The significance of such a year is that debts are eliminated and there is a level field so that the rich do not continue to get richer at the expense of those in debt.

Written in a conversational style similar to his delivery from the pulpit, this is an easy read. He uses humor to make a serious point throughout the book. For any Christian who has read motivational books from the perspective of the Bible, these "secrets" are already known, but a gifted communicator like Pastor Hagee keeps it interesting.6 of 7 people found the following review helpful.

The Seven Secerts

By Evelyn

This book is a must read ! I've read the book once and wanted to read it again. When I went to look for it I couldn't find it so I ordered another copy. Love this book by John Hagee and would recommend it to anyone that wants to renew their faith and uplift their sprits. I ordered a used copy and it arrived in a timely manner and in good condition.5 of 6 people found the following review helpful.

The Seven Secrets to Unlocking Genuine Greatness in Your Life

By Jinger Jarrett

Not too long ago I made a commitment in my life to finally do something I knew I absolutely needed to do: to begin to grow so spiritually mature that I was bigger than any problems that could be thrown at me.

This is a principle I learned from reading T. Harv Eker's "Secrets of the Millionaire Mind." However, as a Christian, it's often necessary for us to take other factors into account. We, as Christians, don't have to go it alone in life. We have God, and God wants to bless us beyond belief.

Regardless of whether we're believers or not though, as John Hagee says in "The Seven Secrets," "success is for everyone." Although success isn't necessarily what we think it is, it is available to all of us when we're willing to take the steps that will take us there.

Understanding what success is though isn't a key in this book. It is a prelude to achieving success in your life. Once you understand what success is and isn't, then you can work toward achieving it.

The way to do it is by applying the strategies outlined in this book by Hagee. These seven strategies are:

1. The Power of Your Mind
2. Perseverance
3. True Self Esteem
4. Self Mastery
5. Communication
6. The Power of Continuous Prayer
7. Prosperity: Unleashing God's Abundance

How you think is vital to your success. Being willing to stick with it no matter how bad things get is crucial to your success. Having self esteem and self mastery, and learning to see yourself the way God sees you will contribute to your overall success. Building solid relationships with God, yourself, and others is ultimately what it's all about, and you learn how to do this by learning good communication.

When you cultivate these things in your life, apply the power of prayer, and believe God for His goodness, you will unleash His abundance.

Hagee shows you how to do all of these things in your life. Unlike a lot of Christian books that can be too positive and make it sound like the process is too easy, Hagee doesn't do that.

To cultivate these things in your life and find success isn't easy. Hagee shows you how much more easily achievable it is when you allow yourself to rely on God for your source.

This is one of the best books I've ever read on spiritual growth. It has certainly helped me to understand more clearly what I need to do to live a successful life, the life God has in mind for me. This book is a clear action plan on how to live the successful life.

This book isn't to be missed. If your life isn't what you want to be, then you definitely need to read this book. Employ the principles, and it will change your life in ways you can't even imagine.

The Bible says, "the kingdom of God is within you." Find out what it is like to experience the Kingdom of God right now. Read this book and take action. See all 25 customer reviews...
