A Performer's Musical Treasure Trove

By Amazon Customer

This book is simply the BEST! A huge variety of show titles to choose from, including a handful that I had never come across in the many years of sifting through audition material. In addition to this treasure trove of music, it is a great learning tool with its breakdown of the main style/time period/ and intention of those included songs. MUST PICK UP!

Great addition to my voice studio library

By Erin M. Smith

Great addition to my voice studio library. I hope it will be helpful to my college students next year when

spring auditions come around.
