Amazon.com Review

Setting: London, present day and early 20th century

Sensuality Rating: 5

Bestselling author Brenda Joyce makes her hardcover debut with *The Third Heiress*, a tale of suspense and romance that spans a century. Following a car crash, professional dancer Jill Gallagher holds her dying fiancé in her arms as he whispers, "I love you... Kate." Left with the wretched task of returning Hal's body to London and the aristocratic Sheldon family, Jill encounters hostility, malevolence, and a 90-year-old mystery involving a beautiful young American woman named Kate Gallagher and her impossible love affair with Edward Sheldon, Viscount Braxton.

A tangled web of love, lies, and murder begins to unravel as Jill digs into the scandal, revealing that very little has changed in the century since Kate Gallagher first caught Edward Sheldon's fancy--especially when the blue-blooded family lineage is threatened by an American upstart. When someone begins warning Jill off her research by ransacking her rented flat and slicing her car brakes, she isn't sure if Hal's American-born cousin Alex Preston is friend or foe. Alex claims to want to help, but Jill suspects that he is not telling her the truth. And with the threats against her life intensifying, Jill is running out of options quickly. A well-crafted novel infused with passion and suspense, *The Third Heiress* will both delight Joyce's devoted fans and attract new readers. --Alison Trinkle

From Publishers Weekly

The heroine of romance novelist Joyce's (*The Finer Things*) hardcover debut thinks she will live happily ever after, and instead unearths a nest of family secrets. Born into a working-class family, talented ballerina-turned-Broadway-dancer Jill Gallagher is ecstatic with her new fiancé, aristocratic Brit Harold "Hal" Sheldon. But as they drive along a New York highway, he breaks off their engagement, saying he wants to return to his family in London. A devastated Jill turns to confront him and wraps the car around a tree. Though Jill escapes unscathed, Hal dies in her arms, his last words, "I love you... Kate." Accompanying Hal's body to London, Jill obsesses: who is Kate? Was Hal leaving her for another woman? Hal's family blames Jill for the accident, except for his cousin Alex Preston, who's just a bit less prickly than the Sheldons. In Hal's old bedroom, Jill discovers a 1906 photo of two young women, Kate Gallagher and Anne Bensonhurst. Anne was Hal's grandmother, but Kate, a nouveau-riche American heiress (with Jill's last name), mysteriously disappeared the year she turned 18. As Jill abandons her life in New York in her single-minded hunt for Kate (whom she believes is her own ancestor), Alex becomes a provocateur, helper and

saboteur on the case. The mystery deepens when Jill finds a decapitated cat on her porch and discovers that the brakes on her car are cut. Joyce's occasionally trite prose ("Hal is dead. Ghosts make poor lovers") is easily ignored as she blends the stories of Jill and Kate, piecing together sexual intrigue, betrayals and century-old coverups that connect them. This genealogical thriller is a page turner that should please the readers of Joyce's previous 24 paperback romances (with seven million copies in print) and could perhaps prove her breakout novel. (Sept.) in August, and Joyce's Web site ([www.brendajoyce.com](http://www.brendajoyce.com)) is already advertising her hardcover launch.

When Hal, her fiance, utters "I love you, Kate" as his dying words, Jill Gallagher is devastated. She accompanies his body back to London to be met with hate and suspicion by his family and the woman they say he had planned to marry. Seeking solace in Hal's former bedroom, she finds an obviously cherished antique photo of two women, one his grandmother and the other a woman named Kate Gallagher who bears an astonishing resemblance to her. As this modern gothic unravels, Jill doesn't know whom to trust and whom to fear as she researches Kate Gallagher, an American heiress who disappeared in 1909. Kate's tale is told through a series of dreams and visions that terrify Jill, who is already spooked by attacks from an unknown source. After proceeding at a stately pace, the action suddenly speeds up as veteran romancer Joyce brings her first hardcover romantic suspense novel to an exciting conclusion. Diana Tixier Herald

# THE THIRD HEIRESS BY BRENDA JOYCE PDF

With over 7 million copies of her books in print and a name that consistently appears on the New York Times, USA Today and other national bestseller lists, Brenda Joyce's novels are imbued with rich sensuality, haunting suspense and characters whose worlds become your own. Now, Brenda Joyce delivers a richly crafted contemporary novel set in the exclusive world of the British aristocracy, where secrets remain hidden at all costs, and where one woman dares to discover a lost legacy of passion...and murder.

## The Third Heiress

The tragic death of her fiancé in a harrowing car accident plunges Jill Gallagher into a dark mystery. His final words to her: "I love you...Kate," force her to realize she neither truly knew this dashing British photographer, nor understood his true motives for being here in America. When she brings his body back to his English family, she enters a world of hostility, suspicion, and closely guarded secrets. Then she finds a century-old photograph of an American heiress named Kate Gallagher who looks remarkably like herself--and who disappeared nearly a century ago. What legacy of scandal has she unearthed? Who is so desperate to stop her? And can she trust the handsome, enigmatic stranger who may be her greatest ally...or a dangerous foe? At once otherworldly and vividly real, *The Third Heiress* is Brenda Joyce at her passionate and suspenseful best.

Not the usual fare.

By A Customer

I picked up "The Third Heiress" because I have always enjoyed Brenda Joyce's works. This book has more of a suspense edge to it; as do a lot of romances now.

The problem with *The Third Heiress* is that the principle characters and their motives were not established early on in the book. One hundred pages into the book, I was still wondering what was going on in the book and why I should care.

Going to a fiancée's funeral with his bitter hateful family, seeing a photo with the name "Kate," and her last name on the of it does not make for a compelling mystery or much of a drama. Believe me, I did not stay up all night reading this one. There was no reason to. I did not like any of the characters, or care what happened to them.

This broke my heart

By Love to read

I don't like to read books where the "good guys" lose. Kate was such a lively character and in spite of the fact she disappeared nearly 90 years ago, the explanation of how she "ends" was horrible! Edward never found happiness and was estranged from the son he should have loved more than life itself. Anne's complete transformation to a hateful woman was hard to believe. Alex falling for Jill was tough to swallow, as she lost control of the car that killed his cousin. Hal's obsession and stalking of Jill was never fully explained. The ending was not only unsatisfying, it didn't bring closure to the "Kate" mystery. Pick up another one of Brenda's books to read...

What happened to Brenda Joyce?

By A Customer

I first would like to say that I was a true Brenda Joyce fan. For anyone who read "Promise of the Rose", you know what I am talking about. I love all types of romance ---contemp. hist. funny. suspense, ect...Unfortunately, this book, "The third Heiress" did not live up to the hype. I felt no emotional involvement with the characters at all. There was nothing about Jill for me to want to read about! The mystery was lacking and I did not care for the whole "Who am I" plot line. It was played...so played! I know Brenda Joyce has written five star books before, I have read them. This book fell short. I hope she can lure me back with something better in the future.
