TYPOGRAPHIC DESIGN: FORM AND COMMUNICATION BY ROB CARTER, PHILIP B. MEGGS, BEN DAY, SANDRA MAXA, MARK SANDERS PDF

Precise visual communication requires first-rate typography skills

Typographic Design: Form and Communication, Sixth Edition is the latest update to the classic typography text that covers all aspects of designing with type. Revised to reflect the shift in graphic design conception and understanding, the book contains a brand-new exploration of typography in media versus typography in motion, and provides the latest information on emerging trends and technology in the design process. Full-color images showcase recent design examples and a companion website features a robust collection of resources for students and instructors. Striking a balance between fundamental information and pivotal new knowledge and ideas, the book provides the perfect basis for engaging new learners as well as seasoned professionals.

Typography is the comprehensive design of type, encompassing selection, placement, manipulation, and communication. An integral element of the graphic designer's arsenal, typography skills translate across industry boundaries into print, video, film, television, packaging, advertising, digital design, and more. Typographic Design provides insight, information, and practical instruction for every step in the process, from concept to execution. Topics include:

- Letterforms, syntax, and legibility
- Communication and the typographic message
- Evolution and technology of typography
- Typographic design processes, and using the grid

The book also contains case studies that illustrate the successful use of typography, demonstrating the impact of good type on the overall design, and a listing of type specimens that exhibit good communication through good design. Words are an important part of the human condition, and presentation can have a major impact on the message. Graphic designers must be able to manipulate type to convey precisely what's intended, and Typographic Design is a comprehensive guide to mastery.

Great Graphic Design books for beginners.

By Rutgers Student

My professor helped write this book and he is one of the best Graphic Design teachers in the business. It shows samples of his works and other colleagues of his. The book illustrates in details projects that they have worked on and the true process that go behind graphic design works.

0 of 0 people found the following review helpful.

but still a great book.

By Jacqueline D. Johnson

Textbook for school, but still a great book...any one doing Typography will find it well worth the purchase.

Wish it was an e-book.
